Yellow fever vaccination

Availability: All Tuesdays and Thursdays except Public holidays

Timings: 9 am – 12.30 pm (spot registration from 8.30 am)

1. **Pre-vaccination Assessment**:
   Vital signs (BP, SpO2, Pulse rate) of all passengers will be checked prior to vaccination. In case of any abnormal vital signs, YF vaccination will be deferred. The decision taken by the Medical Officer-in-Charge will be final in this regard.

2. **Medical Fitness Certificate**:
   Passengers undergoing treatment for any medical condition (Hyperthyroidism, Hypertension, Diabetes, Cardiac disease, dyslipidaemia, Cancer, Liver, kidney, lung disease etc.) are required to produce a letter from their treating physician stating that they are medically fit to receive the Yellow Fever vaccine.

3. All passengers are required to take their regular medications on time and food before coming for vaccination

4. **Bystander Requirement**: All vaccinees should be accompanied by a responsible bystander during the vaccination process.

5. All vaccinees have to bring their original Passport along with a copy of the same.

6. **Waiting time**: There will be an observation time of **30 min** post vaccination after which post vaccination vitals will be checked again, and the vaccination certificate will be provided.

7. **Vaccination charge**: Rs.300 – cash payment only accepted

8. **Exemption from vaccination**:
   i. Pregnancy
   ii. Immunosuppressed states
   iii. In case any passenger is allergic to vaccine components like egg, chicken, gelatine, kanamycin, erythromycin, sorbitol, lactulose etc.

9. **Test dose**: Some passengers may require test dose for vaccination after validation of SDF. The decision in this regard will be taken by medical officer in charge.

10. **Other vaccination history**: All passengers should disclose the history of any Vaccination taken in the recent past in the SDF.

11. All vaccinees have to fill the **Self Declaration Form (SDF)** with correct information to the best of your knowledge
